

Centre for Open, Distance and eLearning (CODeL)

To students and lecturers

CODeL has been adjusting the Moodle learning management system to cater for the teaching and learning needs of the University as a whole. In preparation for the upcoming online exams, Moodle needs to be stabilised and enhanced to ready it for the task ahead.

While these system updates are being carried out, please take note that Moodle will be offline from **Saturday, 24 October 2020 at 0h00 to Sunday 25 October 2020 at 17h00**. We apologise for the inconvenience this will cause, however these updates are necessary. Adjust your plans accordingly.
